

They don't hate math. They lost the plot.

We find the real gap first.

Then a college tutor starts there,
not on page one of the book.

1

Map the gap

A short scan before tutoring starts.

2

See the path

Parents finally know what's next.

3

Meet a tutor

Local college help, already briefed.

ST. PAUL FAMILIES

Apply free. Start with a gap scan.
